Last weekend, I had lots of fun. On Saturday morning, I got up early and went to the park with my family. We played throw ball, had a good gathering and laughed a lot. After that, we visited a nearby zoo where we saw many animals like lions, elephants, and monkeys. I enjoyed watching the animals.

In the afternoon, I helped my mother bake a chocolate cake. It smelled so good and tasted even better! On Sunday, I played a soccer game with my friends. We ran around, kicked the ball, and I even scored a goal. After the game, we were all very tired but happy.

I spent the rest of the day reading my favorite comic books and playing with my dog. In the evening, my dad helped me with my homework. We finished it together and then watched a funny movie on TV. Before going to bed, I thought about my weekend. It was full of fun, games, and laughter. I can’t wait for the next one to come! It was the most amazing weekend we had ever had.
