📚 **Syllabus of the day:-**
Question tags.

📯 **Concept:-**
👉 A question tag is a very short clause at the end of a statement which changes the statement into a question. For example, 'She said half price, didn't she?', the words 'didn't she' are a question tag.”

Or

in simple words
ఒక Statement యొక్క Confirmation కోసం మనం question tags ని use చేస్తాం.

😱 **The Structure of question tags:-**
Positive statement, negative tag.
Negative statement, positive tag.

🤔 **Examples of question tags:-**
